### WHATS UP WITH THE BIKE VEGAS SUMMER MTB CUP

The Bike Vegas Summer MTB Cup are events designed by mountain bikers for ALL mountain bike owners. These classic old school style MTB races over one lap of challenging terrain will incorporate the world renowned Whakarewarewa trail network. All courses will take riders into the trail network and beyond, while out on the course you will experience varied amounts of uphill and downhill through a mixture of forest roads and single track.

For those who take the challenge of the 45km courses you will see great views of lakes and landscapes, well, at least for those who can get them in focus.

The 25km courses will be designed for recreational riders who want to get out and explore new trails.

Some people could be on the adventures for some time so we recommend you carry basic riding gear: warm clothes, food, plenty of water, tools, tubes, patches and a pump. Maybe even a camera.

Challenge yourself through some the best single-track trails in the world.

**THE PLACE** - Each race will start and finish at the Mountainbike Carpark off Waipa Mill Road. Signposted off SH5 a few kms south of town.

**EVENT SCHEDULE** - The summer cup event schedule will be the same for ALL three events, the race times mean you will be able to do other activities around Rotorua once you finish.
